3. No DDS Staff Meeting;

(2) Additions to the lists given you last week:

25X1A

CS/RID	GS-07	CSRS
CS/FE	GS-13	CIARDS
SS/OC	GS-11	"
SS/OC	GS-14	"
SS/OL	GS-14	CSRS
DDI/DCS	GS-11	"

b. Computation of Retirement Annuities We have become accustomed to believing the difference in annuities between CIARDS and CSRS is that CSRS is "3.75% less." We have been believing that since we look at the multipliers of both systems. CIARDS has a straight multiplier of 2%. CSRS has 3 multipliers -- 1 1/2% for the first 5 years, 1 3/4% for the second 5 years, 2% for

all years over 10. But look at the actual dollars in the computed annuities and you will find the annuity is always more than "3.75% less." Take four examples, all with a high 3 of \$20,000:

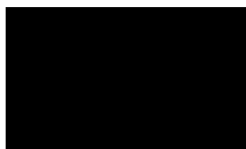

- (1) 20 years service
  - (a) CIARDS - \$8,000 annuity
  - (b) CSRS - \$7,250 annuityThe difference, \$750 per year, is 9.375% less than \$8,000.
- (2) 25 years service
  - (a) CIARDS - \$10,000 annuity
  - (b) CSRS - \$9,250 annuityThe difference, \$750 per year, is 7 1/2% less than \$10,000.
- (3) 30 years service
  - (a) CIARDS - \$12,000 annuity
  - (b) CSRS - \$11,250 annuityThe difference, \$750 per year, is 6.25% less than \$12,000.
- (4) 35 years service
  - (a) CIARDS - \$14,000 annuity
  - (b) CSRS - \$13,250 annuityThe difference, \$750 per year, is 5.35% less than \$14,000.

c. Termination of Accountability for Materiel Assets 25X1A  
called me this morning to ask for a list of those officers who hold a delegation of authority from an operating official pursuant to [REDACTED] to approve a 25X1A Certificate of Expenditure. Since SSA does not attempt to keep such a list, will you telephone him at x3442 if anyone other than your Chief is authorized to approve.

d. 6 FAM Amendment Copies of pending amendments to 6 FAM 168.5 and 6 FAM 183.2-1 concerning export and import of personally owned firearms and ammunition were distributed.

e. Federal Fund Raising Campaigns Chairman, CSC has asked CIA to inform its domestic offices that by 1971 only one fund raising campaign will be conducted in the U.S. among federal employees. If solicited by more than one organization, Agency hopes employees will be as generous as possible.
